Visagraph Installation Manual

Visagraph Installation Apple (Read Only)

IMPORTANT: The Apple version of Visagraph is read only. At this time it cannot be used to take recordings.

Go to https://visagraph.readingplus.com/ to download the Visagraph Application.

If you have any questions regarding the installation of Visagraph, contact the Reading Plus Customer Service department. Our contact information can be found here.
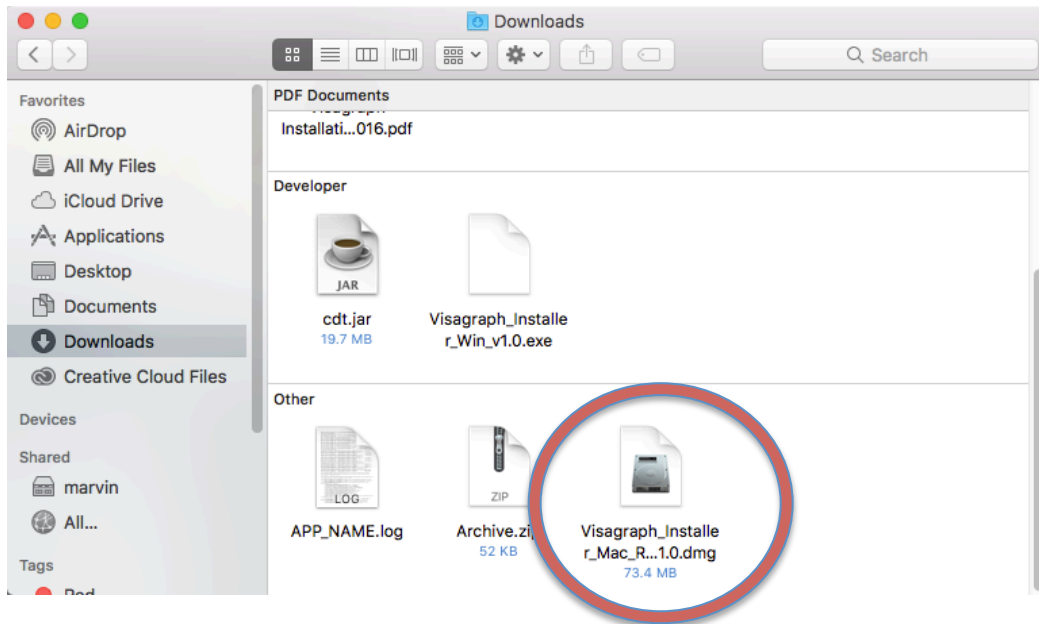

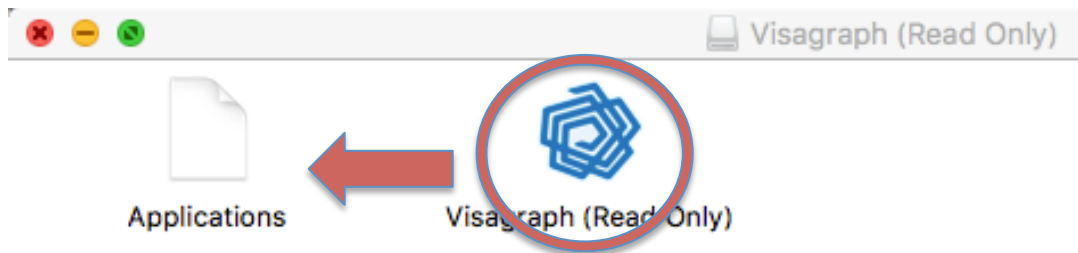

Click "Finder"

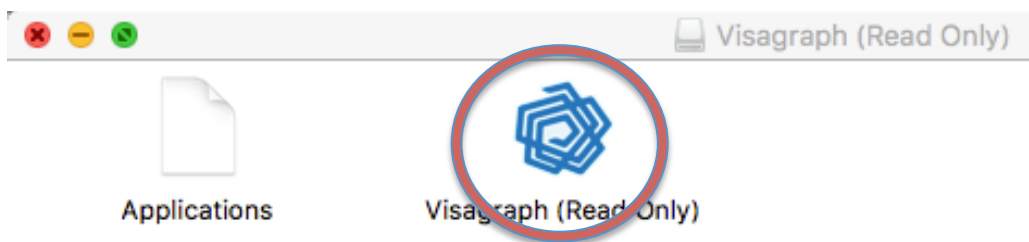

Click on "Downloads"

Double Click "Visagraph_Installer_Mac_Read-Only_V1.0.dmg"

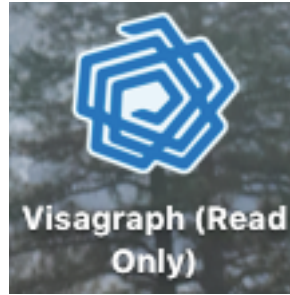

Drag Visagraph (Read Only) on top of the Applications Icon.

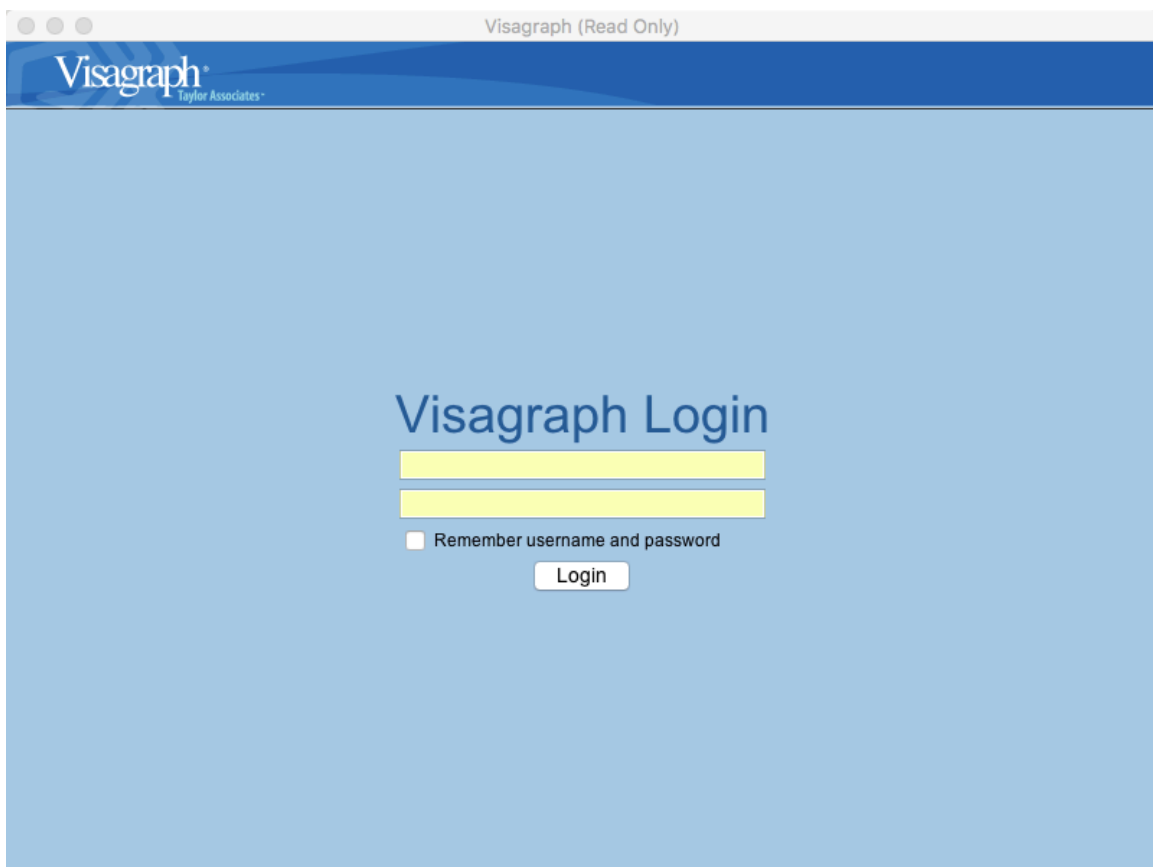

Drag Visagraph (Read Only) to your desktop.

Double Click the Visagraph Icon

Enter your username and password.

(Optional) – Check the box "Remember username and password"

Click "Login"
